Secondary Assistance Scheme

A means tested assistance scheme administered by the Department of Education may be available to parents who hold eligible concession cards. It comprises an education program allowance and a clothing allowance. Applications must be submitted to the Department of Education in the first term of each year that the parents are eligible. Application forms are available from the School by contacting the Business Manager (business@boldpark.com).

Uniform

School uniform is compulsory for all full-time students, and optional for part-time students. However, we do recommend that children attending part-time have a school polo shirt, windcheater and a school hat for use on excursions so they are easily identified.

For full-time students in the Early Childhood and Primary years the uniform consists of a 'primary' coloured polo shirt, windcheater and school hat.

For students in Middle School and College the uniform consists of the navy blue polo shirt, hat, hoodie and windbreaker (winter use). Year 12 students also have the option of wearing their 'Leavers' jacket during their graduation year.

There are additional optional items that can be purchased such as cargo shorts and pants, sport shorts and skorts.

Hats must be worn during outside play and appropriate footwear is required for Blueearth, Kitchen Garden, the Wildspace, the Science Lab and excursions including lake walks.

Uniform Shop

The uniform shop is available online through the school website <https://www.boldpark.com/about/uniform-shop/> and orders can be picked up during school hours and term time from administration at Wembley or Maylands Campus (College uniform). For families new to the school looking to purchase complete sets of uniform, appointments can be made for a fitting by contacting administration (office@boldpark.com).
